BUILDING // Upfront, Lobby + Corridors exhibiting work of regional artists [with a focus on Artspace artist members].

ARTISTS STUDIOS

Artspace artists represent a diverse mix of visual arts: drawing/painting, sculpture, jewelry, encaustics, printmaking and more. Visit with our artists and discover the inspiration behind the piece, learn a new technique or buy an original work of art. Studio hours vary, and may be appointment only during this time.

Applications for studio artists are accepted annually in the spring [juried process]. All may apply. Non-members are required to become an artist member before moving into the building.
