

Community Interest Lunch and Learn to Support Artists with Disabilities

A Partnership of Arts Access, Inc. and Artspace

Arts Access, Inc. is a statewide service organization dedicated to making the arts accessible to people with disabilities.

Artspace is a dynamic studio environment for established and emerging artists and a center for hands-on arts education and nationally acclaimed exhibitions in the heart of downtown Raleigh.

This partnership is intended to build programming that supports people with disabilities in the arts.

This community interest meeting is intended to let us hear from interested parties about what it is that they need/want to make their artistic experience better. Please bring all of your ideas and desires and be vocal about how we can help. Both organizations are eager to hear what you have to say. Afterwards we invite you to take a tour of Artspace's accessible facilities with us!

Join us **Tuesday, November 5th, 12:00 - 1:30pm, in Gallery 2 of Artspace.** (201 E. Davie Street, Raleigh, NC)

Please bring your own lunch, and we will provide dessert and beverages.

To RSVP, please email brandon@artsaccessinc.org or call the Arts Access office at **919-833-9919**.

We are happy to provide any needed disability accommodations (large print materials, American Sign Language). Please register and inform us by **November 1st** if you need accommodations.

Sincerely,

Brandon Cordrey – Arts Access, Inc **Shana Dumont-Garr** – Artspace
