

# Supply List

## Intro to Oil Painting w/ Allison Coleman

Thursdays, March 5 - April 2, 6-9p

### Material List:

- 3 pack of 12 x 12 canvas panel board
- one 16 x 20 canvas panel board
- sketchbook or pad, pencil, eraser
- turpenoid (the 4oz bottle is fine) and a glass jar with a lid to store your turpenoid. No plastic!
- old rag or t-shirt for wiping your brush
- latex gloves (optional)
- Oil paint - you can purchase a set **OR** buy them individually.
  - Student grade is fine, know that some brands are better than others. If you buy a set, please make sure they include 1 small tube of these colors:
    - Burnt Sienna
    - Alizarin Crimson
    - French Ultramarine Blue **or** Ultramarine Blue
    - Viridian Hue **or** Viridian Green
    - Yellow Ochre
    - Cadmium Yellow Medium Hue **or** Cadmium Yellow
    - Titanium White
    - Ivory Black **or** Mar Black
    - Cadmium Red Medium Hue **or** Cadmium Red
    - Burnt Umber
    - Cadmium Yellow Pale Hue
  - Note that hues tend to be cheaper, and will work just fine for our class (they have less pigment than pure colors, ie. Cadmium Yellow Pale Hue has less pigment than Cadmium Yellow). And if there is a color you are drawn to, such as Sap Green, feel free to bring it along, but this is definitely not required.
